

Instructions for Contract Court Reporters

To Access and Docket in NextGen Cm/Ecf

Effective Monday August 14, 2017, the Sixth Circuit Court of Appeals will transition to a new version of electronic filing called NextGen. This document provides the steps you'll need to take in this new environment. Many of you will have already established a compliant PACER account, but please review all of the steps below to ensure you will be able to file in the system after August 14, 2017.

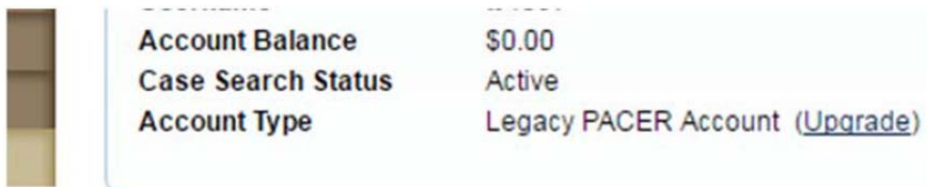

ESTABLISHING OR UPGRADING YOUR PACER ACCOUNT

If you don't have a PACER account, the first thing you need to do is register for one. Go to: <https://pacer.psc.uscourts.gov/pscof/regWizard.jsf> This registration wizard will walk you through creating your PACER registration and receiving your PACER Username and Password.

If you do have a PACER account, you need to be sure it's an "Upgraded" Pacer account. If you registered for your account after August 10, 2014 it is upgraded. To check you can go to:

<https://pacer.psc.uscourts.gov/pscof/login.jsf> Login, then check the "Account Type".

If you need to upgrade, you will see the "Upgrade" link- click it and proceed.

you must link your account before you will be able to file anything in the system.

1. Make sure you are logged out of PACER and close your browser.
2. Open a new browser and go to the ECF website for the 6th Circuit.
3. Click the CM/ECF Document Filing System link. Login with your Upgraded PACER account credentials.
4. Click “Link My Filer Account To My PACER Account”.

5. Enter your e-filing CM/ECF login and password.

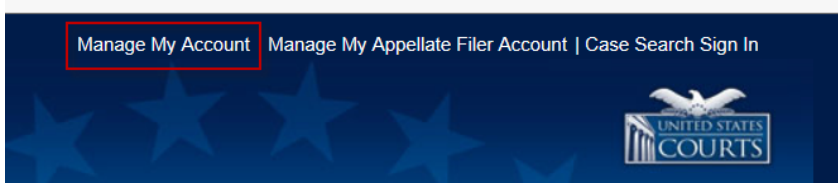

You will get a confirmation screen; click OK if the information is correct.
